

Your personal guide to Alsace

The **magic of wine and how it brings people together** has always held a special place in my life.

Since 2023, I've had the pleasure to share my personal favorites and hidden treasures as a **professional tour guide**. Let me take you **behind the scenes of a winery**, capturing the unforgettable charm of **our region's most magical places**, and revealing the **history and legacy of these unique sites**.

My desire: **to make your day truly memorable**.

I love Alsace

In the spirit of **sustainable travel**, I recommend taking regional trains (which are comfortable and air conditioned), making the trip itself a fun part of the immersive experience.

- I adapt the **meeting point** to your needs: at your hotel, the train station we'll be leaving from or the town we'll be visiting.

- We can also travel by car (contact me to arrange).
